I HAVE PREPARED FOR YOU

Realizing the great interest in vegetable gardening this year and also realizing that but few are fortunate enough to possess a hotbed or cold frame and that many others may have forgotten to sow seeds early for things which should be started in March, I had prepared and have grown thousands upon thousands of vegetable plants ready to be set out on receipt.

It is surer than seeds and I dare say cheaper.

	via Mail prepaid			via Express collect	
	per doz.	per 50	per 100	per 500	per 1000
